*Dear Friends:*

## Praised be Jesus Christ!

I am excited to extend this invitation to all of you, members and friends of Saint Mary's Immaculate Conception Parish, to become a valuable part of another chapter in the story of our faith community as we launch our Interior Renovation Campaign.

The love that we have for our house of prayer is evident, and the pride we take in its appearance is an inspiring witness to our neighbors. In an emergency push to save our steeple, we surpassed our goal in our last campaign. Now we have the opportunity to complete the preservation and transformation of our church for the next generation as we turn our attention to the inside of the building, a space that is very dear to our hearts.

It is true that the people of our parish do make it a beautiful place to pray. That is why I am confident in the support of our next phase of renewal: our parish has always invested in a prayer space that reflects well the beauty of the worshipers, and the honor owed to God's house. This is our opportunity to do so again.

Thank you for your generosity!  
Father Nathan

*In the heart of Barton, there stands a beautiful place to pray.*

For 160 years, Saint Mary Immaculate Conception Parish has been the center of the Barton community, and our presence today as a landmark of faith brings comfort and inspiration to many.

In 2016, we successfully repaired our historic steeple and our exterior church surfaces. In 2017, we completed major updates to the church's heating and ventilation systems.

It's time now to turn to the interior as we launch the next phase: the renewal of our worship space that stands at the center of our community.

**BEAUTY INSPIRES AND INVITES. IT ORIGINATES IN GOD AND LEADS US BACK TO GOD.**

To further enhance our presence in our neighborhood and to share the Gospel message, we will beautify our church interior so that our open doors will lead us, and our visitors, to rejoice that God dwells among us, and we will more fully turn our gaze upward to the Lord.

- New paint, new floor surfaces, new upholstery
- New statues and statue restoration
- New matching high altar, ambo, and altar of sacrifice
- Sound system upgrade
- New exterior main church doors
- Parish center lobby restroom updates

One parish family wants to jump-start the campaign by matching the first \$50,000 in cash donations with their additional gift of \$50,000 if we reach this amount in-hand before January 30, 2018.
